

St. Raphael Angel of Healing

Prayer

Blessed are You, O Lord, merciful God! Forever blessed and honored is Your holy name. May all Your works forever bless You. O Lord may You be mindful of me and look with favor upon me. Send Your Holy Archangel Raphael to assist me as once You sent Him to help Tobit and Sarah in answer to their prayers. Grant me healing in mind, body and spirit. Cast away from me any evil forces that come against Your Holy will in my life. I especially ask Your mercy in this present need (name your intention). May my prayer come before Your Glorious Presence and find favor. I ask this in the Holy name of Jesus Christ, Your Son, Our Lord. *Amen.*
